

Stroke: Preventable, Treatable, Beatable

Wednesday, May 7, 2025 | 6 p.m.

Location: Zoom Meeting

Do you have a family history of stroke, or have you experienced a stroke and want to learn how to prevent another one in the future? Get the latest information from registered nurses and Stroke Program coordinators **MARIA GILLI** and **PAMELA ESHER**, who will discuss stroke signs and symptoms, types of strokes, individual risk factors, and treatment options.

This event will be taking place virtually using Zoom. Register online at capitalhealth.org/events and be sure to include your email address. Zoom meeting details will be provided via email 2–3 days before the program date. Registration ends 24 hours before the program date.
