

**Now Hiring: Full-Time Social Worker**

**Position: Social Worker - Resourcing & Age-Friendly Princeton**

**Location: Center for Modern Aging Princeton (CMAP)**

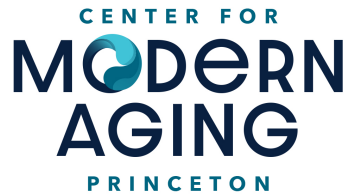

**Start Date: July 1, 2025 (negotiable)**

Are you passionate about helping older adults thrive? Do you believe that human connection is essential for aging well? The Center for Modern Aging Princeton (CMAP) is seeking a mission-driven, dynamic Social Worker to join our dedicated team full-time and lead critical efforts in resource navigation, benefit assistance, and our Age-Friendly Princeton initiative.

At CMAP, we empower older adults (55+) through vibrant lifelong learning, compassionate social services, professional resource referral, and meaningful opportunities for engagement. As our Social Worker for Resourcing & Age-Friendly Princeton, you will play a central role in shaping how older adults access vital support—whether through benefit applications, caregiver support groups, direct care, or advocacy within the larger community.

**Key Responsibilities:**

- Lead CMAP's resource and referral systems, including the Discovery Hub, DME Lending Locker, scholarships, and more.
- Oversee benefit assistance, including staff and volunteer training, benefit assessments, and application support.
- Coordinate and implement the Age-Friendly Princeton 2.0 action plan in collaboration with municipal and community partners.
- Deliver direct social services: counseling, case management, advocacy, crisis intervention, and care planning.
- Facilitate support and conversation groups for older adults and caregivers.
- Build and strengthen partnerships with community organizations and represent CMAP in external events.
- Expand service delivery to community sites like the Princeton Café Nutrition Program.

**Qualifications:**

- MSW from an accredited institution (or equivalent experience)
- Deep commitment to working with older adults and their families
- Strong interpersonal and communication skills
- Collaborative mindset and a passion for community-based work

**Core Competencies:**

- Strategic and compassionate leadership
- Skilled in developing trust and rapport with diverse populations
- Commitment to inclusivity, dignity, and respect for aging adults
- Ability to manage multiple priorities with care and professionalism

**Why CMAP?**

We're not just a senior center—we're redefining what aging can look like. Our team thrives on innovation, inclusion, and making a difference. Join us and help shape the future of aging in Princeton and beyond.
