

## Tax-Aide program seeks volunteer preparers

The Mercer County AARP Foundation Tax-Aide Program is seeking volunteers to prepare federal and state tax returns.

Mercer Tax-Aide volunteers prepare tax returns in Princeton, West Windsor, Hopewell Township, Pennington, Lawrence, Hamilton, Robbinsville, as well as in Plainsboro.

New volunteers attend training classes in November, December and January. IRS certification is part of the training program. Tax preparation begins in February.

All levels and types of experience are welcome. AARP membership is not required. New volunteers will work with a small group of well-trained veteran volunteers. CMAP's The Suzanne Patterson Building is one of the sites where volunteers prepare taxes.

AARP Foundation Tax-Aide volunteers prepare millions of tax returns across the country each year. Taxpayers of any age can take advantage this free service.
